

## **Smart Maps Pro Terms and Conditions**

### **Terms and Conditions for use of this Site (including warranty and disclaimer)**

Except as otherwise indicated elsewhere on Councils website, you may view, download and print the documents and information available on this site subject to the following conditions:

1. The Terms, Conditions, Warranties & Disclaimers are to be made clear to users of this website regularly.
2. Access to Smart Maps Pro is a free service offered by the Marlborough District Council. Your use of Smart Maps Pro is conditional upon your explicit acceptance of the terms and conditions set out in these Conditions of Use and is entirely at your own risk. The Council does not accept any responsibility or liability for any errors or omissions on Smart Maps Pro or any liability for any damage or loss caused by your reliance on or use of the information contained on Smart Maps Pro. Consequently, the Council excludes all liability for any injury, death, loss, damages, costs or expenses resulting directly or indirectly from the use of the GIS (Geographic Information System) data contained on maps and any maps or information derived from it.
3. The GIS data on maps has been compiled from a number of sources and may not be an accurate, complete or correct representation of the actual property boundary locations or characteristics, buildings, structures, amenities, or any other information shown. This data is provided "as is" without warranty of any kind, either express or implied to the fullest extent permitted by law. Council does not warrant that maps will be uninterrupted or error-free, that defects will be corrected, or that this site or the server that makes it available is free of any virus. Council recommends that you independently verify the accuracy, currency and reliability of any information made available via this service and upon which you intend to rely. The GIS data on this site may be amended and updated by the Council without notification. There may be significant delays before data is updated to reflect changes in an area.
4. Content on the maps comes from a variety of sources and some is the intellectual property of third parties. Unless stated otherwise, all intellectual property rights in, to and in respect of the information, data and materials appearing on the site (including copyright, trademarks, trade names and logos) are and remain the property of either the Marlborough District Council or the third parties who have licensed their intellectual property to the Council. Information may only be used as permitted under the Copyright Act 1994.
5. Council does not provide technical assistance or support for any applications used to view maps. The Council may elect to discontinue maps without notice. Please note maps may be unavailable at times without notice due to maintenance.
6. The property-related data provided on this site is not intended as a replacement for the more accurate and current information that is included in a Land Information Memorandum (LIM) Report obtainable from the Council, or a title search obtainable from Land Information New Zealand, or users making any other investigations regarding properties.
7. Cadastral and NZTopo50 related data is sourced from Land Information New Zealand. The map is an approximate representation only and must not be used to determine the location or size of items shown, or to identify legal boundaries.

8. GIS underground services layers are schematic only and actual positions and level should be confirmed from Council's hardcopy records.
9. The Council reserves the right to amend the Conditions of Use at its discretion. Your continued use of the site following such amendments will represent an agreement by you to be bound by the amended Conditions of Use.
10. The Sites at Risk Register is a Council database with locations that can be viewed. This HAIL (Hazardous Activities and Industries List) data is updated regularly and covers only sites as has been reviewed to date, not all aerial photos have been assessed. When using this information please also check historic aerial photos and the property files for activities that may be contain HAIL related information to assess properties.
11. Logins to Smart Maps Pro are not to be shared outside the organization that the login has been assigned to.
12. Logins to Smart Maps Pro do not expire unless they are not used for a period of at least 12 months. From this point a login may be removed. No warning will be given before a login is removed.
