 Subject: Amended Playground Design
 To: Gaylene Beattie <gaylene@springlands.school.nz>

Hi Gaylene,

I have redesigned the playground as per our discussions during the holidays, the design includes the basket swing and regular swings, 3m High quad deck with a Spiral Tube slide, 2080mm High large deck area with multiple entry any and exit points, 1800mm High Caterpillar slide with large deck areas with multiple entry and exit points.

I am aware this is over your budget, however I wanted to show you the design to see if we are on the same page and to get your feedback.

Once again I will be happy to make any changes when I receive your comments.

It does not include the credit we would give you for your existing matting – Approximate \$2,000.00 plus GST

Hi Greg

Thanks for meeting with me in the holidays...

How are you getting on with the playground ideas?

I have a Board meeting Tuesday next week and would really like to have something to show so we can meet the January / March construction.

Can you send through plans as soon as you are able with likely costings.

Thanks

Gaylene Beattie
