

Marlborough
Pacific Trust

January 2021

To whom it concerns,

Malo e le lei, Talofa lava, Bula vinaka, Kia orana

Marlborough Pacific Trust are pleased to provide a letter of support to the Marlborough Youth Trust to support their funding application to support the youth sector in Marlborough aged 12-24years.

Our Pacific communities have benefited from the use of the My Space facility and the partnership that we have built with Marlborough Youth Trust, being able to run pacific specific programmes and having a safe space.

We truly believe that we have been blessed to have such a facility available, but our community could benefit from this being open longer and particularly in the weekends, where we find some youth do struggle and are wanting a talanoa.

I am happy to have a talanoa if you require more.

God Bless

Amaroa Katu
General Manager
