To Whom It May Concern

I am writing in support of Marlborough Youth Trust and the role they play in assisting youth and their families in the Marlborough region.

They offer a wide range of courses and events to help young people build skills, connect with others and to transition into the adult world. MYSPACE is a focal point for many young people and is a safe place for them to gather, learn and develop. I've visited many times and have always been impressed by the warm, friendly atmosphere, as well as the welcoming supportive way the staff interact with young people.

I am pleased to support the great work they do.

Yours sincerely
